

Sharks Netball - Code of Conduct

Sharks Members, Committee & Supporters

Sharks ask and expect our players, members, committee and families to abide by the Cairns Netball Code of Behaviours provided in the links below. In addition, Sharks have the expectation that our members

- Respect their Coach and Manager, their teammates, the umpires and the opposition at all times.
- Participate in the spirit of the game, and
- Have fun!

Sharks support CNA's Code of Conduct and provide them here as a reference for our members through the links below.

[Junior Code of Conduct](#)

[Senior Code of Behaviour](#)

[Teacher/Guardian Code of Behaviour](#)

[Coach Code of Behaviour](#)

[Spectator Code of Behaviour](#)

[Umpire Code of Behaviour](#)

Players Respectful Behaviours

- Communicate with Coach. Let the coach know if you are unable to attend or if there are factors that they should know about that may affect your participation at Netball (injury, workload, illness etc)
- Arrive ready to play/train. Players are expected to arrive ready to start training on time. That means if you need strapping or to get changed, you do so BEFORE training or warm up starts. We understand delays happen so please let your coach know.
- Listen to the Coach. Sharks Coaches have experience and training in coaching and netball. They have plans and are working with the team to progressively build skills and understanding of the game. If you have questions or ideas that you would like to discuss with the coach, find a quiet time after training or the game. During training or quarter time is NOT the right time for these discussions.

Raising Concerns regarding Sharks Member behaviour

- In the unexpected and unfortunate event that Sharks members are thought to be contravening the Code of Conducts.
- Sharks members are advised that any concerns of Code of Conduct Breaches are to be raised to the Sharks Committee through the Manager/Coach or directly to the President via the sharksnetball@gmail.com
- The committee will investigate and take the necessary actions.

Raising concerns regarding Other teams or umpires

- Communicate concerns through the manager / coach.
- Manager/Coach to inform Sharks Committee
- Sharks Committee will investigate and raise concerns to CNA as deemed appropriate.
- **Sharks parents and players SHALL NOT complain to CNA directly but raise it to Sharks Committee**
